#### Message From The President:

This evening's concert is being sponsored by the Peoria Police Benevolent Association. As President of this fine organization, I would like to express my thanks to all the area businesses and organizations who have purchased advertising space in this program. I would also like to thank everyone who purchased tickets to the concert and is in attendance.

For those of you who are not familiar with our association, let me take a minute of your time to define it for you. The organization's name is the Peoria Police Benevolent Association. The purpose for which this organization is formed is to foster and encourage its members to attain a high degree of skill and efficiency in police work; to elevate the standards of police departments by urging the elimination of politics from their conduct; to cultivate friendship and create more complete cooperation by and between the many police officers and police departments in the various cities, towns and villages in the State of Illinois and neighboring states; to promote the general welfare of its members by honorable and legislative means; and to promote the objectives and purposes of the Policemen's Benevolent and Protective Association of Illinois, an Illinois Not For Profit Corporation, of which this organization is a part and to which the members of this organization also belong.

On behalf of myself, the Benevolent Executive Board and the general membership, thank you and enjoy the concert!

The United States Auto Club (USAC), in conducting impartial performance testing, certified the corrosion resistance, seam penetration and resilience of the unique Ziebart rustproofing sealant. USAC also verified the capability of the patented Ziebart spray tools to reach all areas that need protection, the quality of Ziebart technical training procedures and the technical data used by Ziebart. As a result, USAC awarded the Ziebart Rust Protection System its Seal of Approval.
